

- Oishi food, friendly people

Was nice meeting you all

Hope to gather again

- The food was so good, reminded me of ramadhan in Oman, great company, got to explain a bit about the culture and share it with others which was awesome! Thank you so much for all the efforts put into this! It was delightful!

- It was great gathering. We enjoyed our time talking with Japanese students and eating Arabian food.

Thank you a lot for arranging these events. We highly appreciate that.

- It was a great chance for us to communicate with Japanese people. I am really thankful

for your kindness and for turning our events into a special time that we can enjoy and remember for ever Thank you very much
